Please note that:

- The above-mentioned dates can change due to unforeseen circumstances.
- Traffic moving in northbound direction will be affected.
- Flag personnel will direct traffic through temporary detours around the work area
- Work areas will be demarcated to regulate traffic flow
- Vehicles parked in the road and obstructing the maintenance work, will be moved or towed

Road users are urged to:

- Be cautious while work is underway
- Lower your speed
- Pay attention to road signs
- Be vigilant in and around the roadworks area
- Look out for uneven road surfaces
- Be mindful of the construction workers
- Factor in longer travel time

Congestion is expected, so it is recommended that road users consider alternative routes.
